Computer Training	Mathematics	Teacher Resources
Entrepreneurship	Office Skills	Test Preparation
Finance	Parenting and Family	Web Development
General Education	Personal Development	
Health & Medicine	Pet and Animal Care	

Each course can be taken in “Video Only Mode” OR in “Normal Mode” for CEU credits and a completion certificate. You can access these courses by registering with your library card number.

To Register:

1. Visit www.ebpl.org and click the **Research** tab
2. Click the link for **Adults** under *Online Databases*
3. Scroll down and click the link for **Universal Class**
4. Enter your library card number
5. Choose a username/password and provide your e-mail address/member information to register.
6. Confirm your registration using the link e-mailed to you

To Join a Class:

1. Log in with your username and password
2. Find your course of interest (For MS Office Training: **Course Catalog>Computer Training>Microsoft Training**) and click **Join This Course**
3. Choose **Video Only** or **Normal Course Mode**
 - Video only allows the user browse the lesson videos only, in any order
 - Normal mode requires the lessons be completed in order, but will provide CEU credits and a completion certificate

To Complete a Lesson (in **Normal Course Mode**):

1. Read course materials and watch course videos
2. Complete lesson activities
 - a. Read Netlinks (optional)
 - b. Complete any written assignments and click “submit”
 - c. Take any exams by answering multiple choice and true/false questions, clicking “next question” to submit an answer
3. Check your UC Email for feedback
